CURRENT POSITION:

- Coordinating Researcher & Coordinator of Bacterial, Viral and Neglected Tropical Disease Research Area, Centro de Investigação em Saúde de Manhica

EDUCATION:

- 2009: PhD in Medicine (Medical Microbiology), University of Barcelona, Spain
- 1999: Veterinary Medicine, Eduardo Mondlane University, Maputo, Mozambique

Employment History

Provide details of your employment in chronological date order (most recent first), including your current position:

Date (month/year) From To		Name of employer and position Include a brief description of your current position	Appointment Type E.g. permanent/fixed-term, full/part-time etc.
Jan/2021	Currently	Fundacao Manhica, Coordinating Researcher & Coordinator of Bacterial, Viral and Neglected Tropical Diseases Research Area. Some of his duties include overall coordination of the research group activities, including strategic leadership; fund raising (conceptualize, design new research projects and applying for funding); identifying new institutions for networking; oversee the implementation of study protocols (Scientific, ethical and regulatory clearance, field implementation); communicate with sponsors and partners; review and approve technical and financial reports; train junior researchers.	Permanent, full-time
Jan/2013	Dec/2020	Fundacao Manhica, Manhica Senior Research Fellow	Permanent, full-time
Jan/2013	Dec/2016	Fundacao Manhica, Deputy Director for Science	Permanent, full-time
Mar/2010	Dec/2012	Center for Vaccine Development (CVD) – University of Maryland, Baltimore (MD, USA) & Department of Pediatrics, University of Virginia School of Medicine, Charlottesville (VA, USA), Postdoctoral Fellow, under the same mentorship	Fixed-term, full-time
May/2009	Feb/2010	Fundacao Manhica, Research Scientist	Permanent, full-time
Sep/2004	Apr/2009	Fundacao Manhica, Head of Laboratory Department & Training Fellow (Pre-Doctoral Studies)	

Feb/2002	Sep/2004	Fundacao Manhica, Head of Laboratory Department	Permanent, full-time
Nov/2000	Jan/2002	Fundacao Manhica, Laboratory Technologist	Permanent, full-time

Prizes and Awards

Please detail any prizes or awards in the table below:

Date (month/year)	Details
Nov/2023	Mozambican Veterinarians Board – OMVM prize in recognition of services to Public Health

Contributions to development of individuals & wider research community

In addition to publishing more than 190 articles in international peer-reviewed journals, over the years, the applicant has contributed to the development and training of multiple Mozambican and international researchers by supervising, directing and co-directing the PhD theses, master's and bachelor's degrees research projects/theses and by participating as an examiner for the presentations and defenses. Below some of these contributions are highlighted:

- Sep 2022 to date: Director of Augusto Messa Jr.'s PhD thesis (to be defended in September 2025). Investigating the role of the gut microbiome in the treatment response in soil-transmitted helminth infections. Universitat de Barcelona, Barcelona, Spain.
- Aug 2019 to date: Co-director of Filomena Manjate's PhD thesis (to be defended in 2024). Molecular Epidemiology of non-typable Rotavirus strains circulating in rural Manhiça District, 2008 – 2019. Universidade Nova de Lisboa, Lisboa, Portugal
- Aug 2018 to Jan 2024: Co-director of Marcelino Garrine's PhD thesis (defended Jan 25, 2024). Molecular Epidemiology of *Staphylococcus aureus* in rural Mozambique. Universidade Nova de Lisboa, Lisboa, Portugal
- Nov 2019. Co-Director of Sozinho Acácio's PhD thesis (completed). Diarrheal disease in children aged 0-59 months in Mozambique: Risk factors and associated mortality. Universitat de Barcelona, Barcelona, Spain.
- Dec 2018. Co-director of Delfino Vubil's PhD thesis (completed). Spotlight on the virulence, antibiotic resistance and epidemiology of *Shigella* spp. Universitat de Barcelona, Barcelona, Spain
- Dec 2013. Co-director of Tacilta Nhamossa's PhD thesis (completed). The epidemiology of diarrhoea: Determination of the burden, aetiology and consequences of diarrheal disease in children aged 0-59 months in Manhiça District, Mozambique. Universitat de Barcelona, Barcelona, Spain

External independent examiner

- Jan 2024: Independent Examiner of the PhD thesis: Management of Undernutrition in children under five years of age with diarrhea in Mozambique, 2015-2021. Instituto de Higiene e Medicina Tropical (IHMT), Universidade Nova de Lisboa, Portugal
- April 2021: External evaluator for Master's Degree Thesis: Molecular Epidemiology of Antibiotic Resistant *Shigella* spp. Implicated in Community-Acquired Acute Diarrhoea at Bawaila Hospital, Lilongwe Malawi (A PHIRI). Kwazulu Natal University, Durban, South Africa.
- Jul 2020: External examiner of PhD thesis by Aly Muadica. Epidemiología molecular y factores de riesgo de protistas enteroparásitos asociados a diarrea en poblaciones pediátricas sintomáticas y asintomáticas en España y Mozambique. Universidad Complutense de Madrid, Madrid, Spain

Membership of scientific committees

- Jan 2023 – present: American Society for Microbiology Country Ambassador to Mozambique
- May – Oct 2022: Served as expert to the Quadripartite (Food and Agriculture Organization of the United Nations [FAO], the World Organisation for Animal Health [OIE], the United Nations Environment

Programme [UNEP] and the World Health Organization [WHO] to develop One Health Priority Research Agenda on Antimicrobial Resistance

- 2018 – present: Member of External Scientific Committee of the “Centro de Investigação em Saúde de Angola (CISA)”, Angola
- 2017 – present: Accredited Researcher at University of Barcelona, Barcelona, Spain to supervise and mentor PhD Students
- 2014 – 2019: Accredited Researcher at University of KwaZulu Natal, Durban, South Africa to Supervise Masters and PhD students on the NORAD programme
- 2014- Mar 2015: Served as expert for Scientific Strategic Advisory Group for *Cryptosporidium* convened by the Bill and Melinda Gates Foundation.
- 2019 – present. Member of American Society of Tropical Medicine and Hygiene (ASTMH)
- July 5, 2016: Invited as expert for the European & Developing Countries Clinical Trials Partnership (EDCTP) Stakeholders meeting on Diarrhoeal Disease, Amsterdam, Netherlands.
- 2014 – present: Member of Society for Laboratory Medicine
- 2013 – present: Member of American Society for Microbiology
- 2012 – present: Member of Academy of Science of Mozambique
